PROFESSIONAL SUMMARY

Third-year Computer Science student and full-stack developer skilled in React.js, Node.js, and Express.js, with two live client websites shipped end-to-end. Strong foundation in Data Structures & Algorithms (50+ problems solved), OOP, and DBMS. Experienced in building responsive, production-deployed web applications and eager to contribute as a Software Engineering Intern on a fast-moving product team.

EDUCATION

Bachelor of Engineering, Computer Science and Engineering 2028

Alagappa Chettiar Government College of Engineering and Technology (ACGCET), Karaikudi | CGPA: 8.879 / 10

Higher Secondary Education

St. John's Higher Secondary School, Tirunelveli | Percent:91.5% 2024

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, C, Python (Basic)

Frontend: HTML, CSS, React.js, GSAP, Responsive Web Design

Backend: Node.js, Express.js, REST APIs

Databases: MySQL, MongoDB

Developer Tools: Git, GitHub, VS Code, Postman, EmailJS

Concepts: Data Structures & Algorithms, Object-Oriented Programming, DBMS

FREELANCE EXPERIENCE

Green Crown (greencrown.in) Live

- Developed and deployed the official business website end-to-end as a responsive React.js application.
- Built smooth, engaging GSAP animations to elevate user experience and brand presentation.
- Integrated EmailJS for direct client inquiries and WhatsApp integration for instant customer contact.

SWAG Coaching Center (swagcoachingcenter.in) Live

- Designed and deployed a responsive website for a coaching institute, improving online visibility for prospective students.
- Implemented GSAP-based animations and a clean, mobile-friendly UI across all pages.
- Integrated EmailJS and WhatsApp for seamless inquiry handling and lead capture.

PROJECTS

Placement Portal

- Building a role-based placement management platform with separate dashboards for Placement Officers and Students.
- Designing company drive management and application tracking modules to streamline the placement workflow.
- Implementing authentication and authorization to enforce role-specific access control.

ACCET Connect

- Developing a student networking platform enabling project showcases, mentorship, and resource sharing.
- Architecting a community-driven feature set to connect students across departments and batches.

LEADERSHIP EXPERIENCE

Website Coordinator — Thiran

- Maintain and improve the official event website, coordinating content updates and supporting technical initiatives.

3rd Year Coordinator — CSE Association

- Coordinate technical events and department activities in collaboration with faculty and fellow students.

ACHIEVEMENTS

- Winner, Code Master Award — CodeQuest, CSE Association.
- Delivered two live freelance client projects from design through deployment.
- Solved 50+ Data Structures & Algorithms problems.

CERTIFICATIONS

- NPTEL — Network and Internet Protocols
